Walk the Talk

Reflections

Everyday Stewardship

The road to Emmaus is one of my favorite Gospel stories because it shows a Jesus that is masterful at reaching people. First, when he comes upon those walking on the road, he asks them what they are talking about and then asks them to explain. How often are we too eager to just start talking at people when we feel they need to hear what we have to say? Jesus offers an invitation for them to share first. Allowing them to share first opens them up for what Jesus will do next.

Second, Jesus takes time to interpret for them the words of the prophets. He gave them their turn and now it is his. Not only wise, but a movement of respect. After a long walk, they invite Jesus stay with them and dine. Third and finally, Jesus breaks bread with them and they are able to see that he is no ordinary traveler. He is the risen One. He could have just told them who he was, but allowing them by their experience to uncover who he was had the greater impact.

Jesus demonstrated to us in these actions how to be gracious and impactful when sharing the good news. If we are to be good stewards and fruitful disciples then we must imitate him in this regard. This Easter season let us practice the following: 1) Allow others first to share what they have to say. 2) Then be willing to take the time to explain fully or to the best of our ability our faith. And 3) help others find a way to experience firsthand the message you have shared. No one can understand love without witnessing love. In this way, your words and deeds will become a pathway to Jesus for others.
