

WEDDING MUSIC CHECKLIST- St. Patrick Iowa City

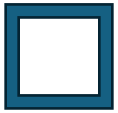

After you have met with Fr Troy and confirmed a wedding date with the office—

Review the information about Wedding Music Guidelines and Wedding Music Options found on the parish web page.

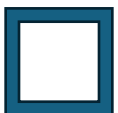

Select and book your wedding accompanist. Our parish office can provide contact information for our St. Patrick pastoral music team. You are not under obligation to utilize any specific accompanist, cantor or soloist. Fees and terms of payment are set by the accompanist, cantor, or soloist. Payment according to terms set is the responsibility of the bridal party.

You are encouraged to meet with your accompanist as soon as possible after you have booked them to go over your desired music selections.

Your accompanist may schedule meetings with you closer to the wedding date to go over details.

All music must be finalized and approved by Fr Troy for liturgical appropriateness no later than ONE MONTH before the wedding date. (If you are printing a program with the music listed, please allow at least TWO FULL WEEKS before your printing deadline for Fr Troy's review.)
