

### VACATION WITH A PURPOSE!

Continuing the tradition of the long-running *Catholics In Action* youth service program, *CIA—Family Style* is an exciting new opportunity for families to serve, learn, play and pray together.

Research on families shows that praying, serving, and talking together are three of the most important things families can do to thrive. *CIA—Family Style* incorporates all three with the additional benefit of getting support from other families. The program is designed to make family life better while improving the lives of others in the community.
